We are trying our best to keep our hotels open all year round and ensuring safety for our guests and staff. However, during current unprecedent times, in case there is a local lockdown during festive period or due to poor business sentiments, the hotel may temporarily shut with 07 days advance notice.

In such scenario, bookings made can be cancelled without incurring cancellation fee. Guest has choice to rebook room by paying differential amount prevailing at the time of hotel reopening if stay is past offer validity date or has a choice of refund.
